WATER/SEWER/FIRE PROTECTION TRUST DEPOSIT

Per the Silver Lake Codified Ordinances Chapter 9, Section 937.03 Deposits and Responsibility for Payment of Bills: (c) The Village reserves the right to require a one hundred dollar (\$100) deposit for sewer service, and fifty dollars (\$50) for water service as a condition precedent to obtaining utility service. Such utility deposits shall be non-interest bearing. Any excess funds on deposit at the date of termination of service shall be returned to the customer. This deposit shall in no way be considered the maximum customer's obligation in the event of greater usage. After five years of good paying service, the Village may return the deposit of record to the account holder. All returns of deposits are subject to the customer's past payment record and will be paid at the discretion of the Clerk-Treasurer. Deposits made on tenant-occupied premises shall not be returned except at termination of service.
